

Disposable Heel Grounders

(Part No.: 2560.894)

Our disposable heel grounders are bright yellow and will fit men as well as ladies shoes. ESD flooring is required for them to be effective.

- Comfortable to wear
- Used by visitors in the EPA
- Yellow for easy identification
- Quantity: 100 per bag (10 x 10 sheets)
- Complies with EN 61340-5-1

Note:

Heel grounders should be worn on both shoes to avoid charge build-up during walking.

Properties:

Material: Yellow non-woven fibrous material

Conductor: Carbon black

Size: 14 x 300 mm

Electrical properties:

	Test standard	Typical values	Requirements
Wearer overall resistance to metal plate R_G	EN 61340-5-1	$4 \times 10^6 \Omega$ (one shoe) $2 \times 10^6 \Omega$ (both shoes)	$5 \times 10^4 (1 \times 10^5 \text{ each shoe})$ $\leq R_G \leq 3,5 \times 10^7 \Omega$
